About TekSource

Simplified Recruiting | Open Book Pricing | Challenging Industry Standards

TekSource Staffing develops long-term relationships by providing clients with professional and reliable resource integration solutions. We recognize that no two clients are the same and take the time to understand our clients' needs, analyze their requirements, recruit the most qualified candidates and develop a unique Reliable Resource Integration solution that benefits everyone. We do the work so you don't have to.

Contract Consulting Services

TekSource provides professional contract staffing services focused on fulfilling the technical requirements of our client needs. Whether you require resources for one month or three years, we can deliver by providing you pre-screened qualified consultants that can join your workforce and fit with your team immediately. Our contract recruitment service allows clients to access highly skilled, highly sought after subject matter experts on a contract basis to successfully complete projects/tasks as required. Key benefits of the TekSource contract business model are:

- TekSource is the only recruitment firm that offers full financial transparency pricing on all contracts to both the client and the contractor with rates as low as 15% of per diems.
- No buyout – If a contractor has been with you for six months or longer and you decide to hire them fulltime, there is no contract buyout fee. We don't stand in the way of peoples careers.

Permanent Placement Solutions

At TekSource we understand the fact you are seeking more in a candidate than only technical skills. You require specific soft skills that mesh well with your firm's corporate culture. TekSource excels at permanent placements by providing skilled industry resources fitting your culture and needs. With vast database of professionals, TekSource will find your organization the permanent team member that will surpass your expectations (supported by our 90 day employment guarantee) We provide our clients access to pre-screened, top performing passive, semi-passive and active candidates they may not have otherwise discovered through their own efforts. TekSource Canada will work with you and your team on a contingency basis with a pricing model that sets up apart. With placement fees starting as low as 15% (in many cases less than half the industry standard) and scaling down on additional yearly placements we ensure you get the value you deserve and TekSource earns your repeat business as a trusted vendor.

No Shortcuts!

It takes time to evaluate and identify talent. Even though 90% of our consultants are through referrals, TekSource still screens and interviews every consultant we place to ensure they are the right fit and can get the job done and on time. Our candidate qualification process is second to none – and we take no shortcuts.
